

TEAM BUILDING

The pristine forest, spectacular peaks, and white-water rivers in and around Breckenridge are ideal for team building, leadership and adventure exercises. Our partners - Breckenridge Outdoor Education Center and Colorado Bike and Ski can organize these activities for your meeting and conference groups.

BRECKENRIDGE OUTDOOR EDUCATION CENTER (BOEC)

The BOEC specializes in outdoor experiential-based programs for corporate and professional organizations. Its Professional Challenge Program focuses on developing trust, building relationships, and enhancing team building and leadership skills - all while having fun in the outdoors. Programs range from a half a day to several days, depending on the group goals.

COLORADO BIKE AND SKI TOURS (CBST)

Challenge and adventure provide an interesting and dynamic method for learning and applying team-building skills. CBST's experiential programs provide the opportunity for individuals and groups to reach beyond the typical and to celebrate the unique as they attempt to attain and implement new skills in order to achieve their goals.
